

For complete trash and recycling information for the Chapin Township please visit [MMWA's Website](#). MMWA (Mid Michigan Waste Authority) currently manages the trash collection and disposal, recycling collection and processing, and yard waste collection and composting contracts for 34 member communities.

Chapin Township provides weekly curbside collection of trash and weekly curbside collection of recyclables. **When carts arrive in Spring of 2023 Chapin Township will switch to bi-weekly curbside recycling.** For best results residents should have all properly prepared materials at the curb no later than 7:00 am. Remember, you have a service day not a collection time, routes run until finished. For any service issues always call MMWA at (989) 781-9555 within one business day of your service day.

Visit your [community's page](#) for more information on trash and recycling. You can find information on [household hazardous waste](#) and [electronic recycling](#) by visiting MMWA's website.
